Honorable Robert H. Jackson,
Chief of Counsel,
Office of U.S. Chief of Counsel,
APO 124-A, c/o Postmaster,
New York, N.Y.

Dear Justice Jackson:

I was very glad to get your letter about the appearance of Gisevius at Nurnberg. I, of course, followed with the closest interest the somewhat detailed reports which appeared in the American press. I am glad that Gisevius was of use to you and also that he made a good impression on the tribunal. He rendered us all very real services during the war and deserves well of us.

While I am back at work at the law, I am trying to do some writing about Germany and, in particular, to put down what I know of the German underground resistance movement and what their plans and programs were. Naturally I read everything I can get on this subject from Nurnberg and elsewhere in Germany.

Faithfully yours,
